SUMMER 2010 TAX NOTICE

Summer tax bills will be mailed out on July 1, 2010 and are due on September 14, 2010. Please call the Kawkawlin Township Office at 686-8710 if you do not receive your tax notice. If you pay by mail or use the drop box and would like a "paid receipt", **you must enclose a self-addressed, stamped envelope.** We accept only cash or check for payment of taxes, we do not accept credit cards. Any tax bill (unless deferred) not paid by September 14 will incur a 1% late fee from the 15 -30, then another 1% every month thereafter. A 3% penalty will be added from Feb. 15 -28. As of March 1, all unpaid bills (except personal property) will be sent to the Bay County Treasurers office. **Please remember summer deferrals need to be applied for yearly and completed by September 14, 2010.**

ITC TOWER/POLE SWAP

Starting in April ITC will begin taking down the wires and towers that run through Kawkawlin Twp. These towers are the big steel towers that run near M-13. They will be replaced with new single steel poles. The spacing of these poles will be different from the spacing of the old towers. Some people that have towers now might not have poles with the new system and some people that presently don't have towers might end up with poles. The rebuild will stay in the same general easement and the construction disruption to individual residents should be minimal. This project will be going on all summer.

The power will be shut off from this line and re-routed without interruption to services. The new lines will have the capacity to carry a higher load for future electrical needs.

PROPERTY TAX QUESTIONS

Another tax season is here starting on July 1, 2010. **When you get your tax bill, please check it immediately for any errors.** Clerical issues can be addressed at the July Board of Review. Assessment issues can be addressed at the March Board of Review.

Make sure you file your **Transfer Affidavit** and your **Principal Residence Affidavit**, when you purchase a new home so that we can make sure you get credit for living at your new residence.

If you are thinking about selling lots or a portion of your property, you must file a **Land Division Application.** Otherwise, the party you are selling the land to will not be able to obtain permits, as this is an illegal split.

If you have a question about anything, please call Tom Boetefuer, the Assessor, at 686-8710.

Please be aware there will be identified persons out measuring homes/buildings through the summer assisting our assessor.
