## From The Assessor

Another tax season is here starting on December 1, 2011. **When you get your tax bill, please check it immediately for any errors.** Clerical issues can be addressed at the December Board of Review. Assessment issues can be addressed by appointment at the March Board of Review.

Make sure you file your **Transfer Affidavit** and your **Principal Residence Affidavit**, when you purchase a new home so that we can make sure you get credit for living at your new residence.

If you are buying a home please remember to file a **Homeowner's Principal Residence Exemption Affidavit** with the Assessor. The residence must be owned and occupied by May 1 and you must be living there for at least 6 months of the year to qualify.

If you are thinking about selling lots or a portion of your property, you must file a **Land Division Application**. Otherwise, the party you are selling the land to will not be able to obtain permits, as this is an illegal split.

If you have a question about anything, please call Tom Boetefuer, the Assessor, at 686-8710.

## From The Supervisor

On August 14 I attended a wind summit at SVSU. This summit was very informational. I was told that if Kawkawlin Twp. is interested in being looked at as a potential wind farm area there are some things that we can do to increase our chances of being chosen. On the average it takes about 4 years to put a farm together, with zoning, planning and easements required. To help speed this up a township should have these in place and have an area where these farms would be accepted. Kawkawlin Twp has a wind power ordinance in effect and our zoning allows them in Agricultural zones. If there are any land owners interested in trying to secure a wind farm in Kawkawlin Twp please contact me at 686-8710.

Please remember to come out and vote on November 8 for the school election.

## OUR FIRE DEPARTMENT

Hours: Monday - Saturday 9 - 12 & 1 - 5

### Burning Permits

This is a friendly reminder that if you are going to burn any materials at all you must come to the Fire Dept. to obtain and sign for a burning permit. If the Fire Department receives any complaints a unit will be dispatched to check the complaint out. If the fire fighter determines that the fire is a violation of any of the rules the fire shall be extinguished and this permit shall be revoked. This mandate has been in effect since June of 2005.

### Fire Hydrants

If there is a fire hydrant located on or near your property we ask that you please keep it clear of snow, weeds and debris.

### Fireworks

Any person intending to sell, transport, possess, discharge or cause to be discharged any Class 1.3 or Class B fireworks as described by MCLA 750.243a of Michigan PA 328, as amended, must meet all requirements of Michigan PA 328. An application must be filled out and then approved by the Kawkawlin Township Board. There is a \$50.00 permit application fee. Please call or stop by the Kawkawlin Township Office for an application and our fireworks rules/regulations policy.

## RECYCLE

Recycle bins are available for \$3.00 at the Kawkawlin Township Office. We also have rain barrels for \$25.00

If you did not get your trash, recycle, or yard waste picked up after you had it out on time on your scheduled day, call 1-800-578-2664 the same day or you won't get it picked up until the next recycle date.

November 17 & 18 will be the last days for yard waste pick-up

**A reminder to anyone who is dumping brush in the Southwest corner of the ball field to be burned, please NO tires or trash of any kind. It is for brush only and twigs/trunks must not be any more than 2" thick. Anyone caught violating these rules may be fined up to \$500.00**
