Section 1602 Site Plans (For Planning Commission)

A written application and site plan shall be submitted to the Zoning Administrator in the case of any:

1. **New development or redevelopment, including accessory buildings.**
2. **Rezoning request.**
3. Variance request.
4. **Request for a special exception use permit.**

All site plans shall be produced in triplicate, plus one for each Planning Commissioner drawn to scale, showing the following:

1. Legal description of the site.
2. A scale of not less than one inch equals 50 feet if the subject property is less than three acres and one inch equals 100 feet if three acres or more.
3. Date, north point and scale.
4. The dimensions of all lot and property lines showing the relationship of the subject property to abutting properties.
5. The location of all existing and proposed structures on the subject property and all existing structures with the dimensions and square footage, within 100 feet of the subject property.
6. The location of all existing and proposed drives and parking areas.
7. Landscaping plans.
8. Signs including locations and sizes.
9. The location and right-of-way widths of all abutting streets and alleys.
10. **The names and addresses of the architect, planner, designer or engineer responsible for the preparation of the site plan.**
11. Such other information concerning the lot or adjoining lots as may be essential for determining whether the provisions of this chapter are being observed.
